

**Registration form for WATTS 2019
July 25-27**

WATTS is open to all pilots of electric powered RC aircraft. The landing fee covers all three days. All pilots must show proof of current AMA or MMAC membership as this is a sanctioned event.

The event will start Thursday morning at 9am and run till Saturday evening at 5pm. You are more than welcome to come a day early or stay late. There will be a pilot meeting at 9am each day followed by open flying.

Dry camping on site is welcomed but there are no hookups or showers. There will be portable toilets. We also have a playground for the kids so come enjoy the weekend.

It is recommended you operate on 2.4 GHz. There will be a frequency board in place and pilots on 72 MHz will be responsible for frequency control. We will have a sign up for pilots to register what frequencies they are on to help mitigate any conflicts. SMMAC will not be responsible for any issues that arise from operating on 72 MHz.

Pilots Name: _____

Street Address: _____ City: _____ State: _____ Zip: _____

AMA or MMAC number: _____ E-mail: _____

Registration Fee is **\$25** before July 19th

Please make checks out to **Southern Minnesota Model Aircraft Club** or **SMMAC**

Please mail this form along with payment to:

Steve Mills
226 Moreland Ave
Mankato MN 56001

Thank you and we look forward to hosting you at WATTS 2019!
